J. BAUER & CO., AGENTS. WAREROOMS,

650 BROADWAY, NEW YORK, 99 Clark St. and Crosby's Opera House, Washington St., Chicago, Illinois. Read the following commendatory letters from distinguished Artists.

Wm. Knabe & Co .- Gentlemen: I have great pleasure in certifying that I have tried four fquare Planos and find them equal, if not superior, to any in this country. Among the great qualities which distinguish them, is the evenness of tone, the casy and arrecable touch and volume of tone. Wishing you all the success which you so highly deserve. I am, sirs. Yours, very truly, S. THALBERG.

Wm. Knabe & Co .- Gentlemen: Has be had lately an opportunity to try and test your new scale Grand as well as Square Pianos, I cannot refrain, besides reflectating all I had occ. sion to say at a fermer period, from congratulating you on the important improvements you have introduced in the manufacture of Pianos. Your instruments combine at the qualities which are required to make a Piano as perfect as possible, and fully deserve the great popularity they have gained all over the country.

Yours truly,

L. M. GOTTSCHALK.

Was. Knabe & Co .- Gentlemen: I cannot but congratulate you upon the immense progress and improvements which you continually maken your Planes, which, in my opinion, rank among the very test in the country.

M. STRAKOSCH. very test in the country.

Wm. Knabe & Co .- Gentlemen: Our Opera Troupe are at present using four of your justly elebrated Planos, and as the exponent of the views and opinions of the various artists, permit me to say I consider them as unturpassed in brilliancy and creditine, and pre-eminent, without a rival in this country or in Europe. Their superior quality of tone, combining great depth and powerful volume, with a rich and peculiarly clear and even troble, together with magic clasticity of touch and action, render them superior to the other instruments, which rarely, if ever, comfor to the other instruments, which rarely, if ever, com-nine those most essential requisites. Profoundly im-ressed with the many valuable qualities of these flames, I most cheerfully enderse the high and meritoflous encombains everywhele in a mounced upon them.
